PROJECTS

[KK Dhaba & Restaurant](#)

April 2025

[Project_Link](#)

- Rebuilt and upgraded the **KK Restaurant** website using the **MERN stack** with a modern, interactive UI.
- Integrated a **real-time table reservation system** with live availability and automated booking confirmations.
- Designed a **clean, mobile-responsive layout** for smooth user experience across all devices.
- Deployed the complete restaurant web app using **Render and Vercel**, making it accessible anytime, anywhere.

HR Management System

May 2025

[Project_Link](#)

- Built a full stack **HR management system** using react.js, node.js, express.js and mongoDB.
- Implemented secure user **authentication** with **JWT**.
- Design models for **job listing, candidate tracking, interview scheduling, and offer letter** management.
- Integrated **Nodemailer** for sending password reset and offer letter emails.
