PROJECTS

Travel Beyond Borders
05/2025
Ranchi

Travel website to explore and share experience
🔗 (https://travel-beyond-borders.onrender.com/)

- Developed a MERN-based travel sharing platform for posting, exploring, and managing travel experiences.
- Integrated login/signup and custom post creation for users.
- Ensured responsive layout and cross-device compatibility.

HR App
06/2025
Ranchi

HR Recruiter – Modern HR Management System
🔗 (https://hr-lake.vercel.app/)

- Built a full-stack HR management system using React, Node.js, Express, and MongoDB.
- Implemented secure user authentication with JWT and role-based access (admin/user).
- Designed modules for job listings, candidate tracking, interview scheduling, and offer letter management.
- Integrated Nodemailer for sending password reset and offer letter emails.
- Deployed backend on Render and frontend on Vercel with MongoDB Atlas as cloud DB.
